

More characters, complex scenes, a style of your own.

Eight one-on-one sessions. Avatars sharing a scene, interviews, spatial audio and editing designed from analysis.

HOW IT WORKS
1:1 sessions, on your own accounts, with a toolset of 42 skills built and published by me. Every session closes with a practice task for the week.

The eight sessions

12 HOURS 1:1 · EIGHT WEEKS

01 Guest avatar 90 MIN A second character enters your location and shares the scene with you. YOU LEAVE WITH A scene with two characters in your location.	02 Interviews 90 MIN Bring an existing avatar into someone else's reel: questions, answers, reactions. YOU LEAVE WITH Your first avatar-to-avatar interview video.
03 Multi-character story reel 90 MIN Stories with several voices: audio theater and characters in dialogue. YOU LEAVE WITH A story reel with distinct voices.	04 Spatial audio 90 MIN Sounds that move through the scene and follow the characters. YOU LEAVE WITH A scene with positioned, moving sound.
05 Advanced editing 90 MIN Scene analysis and cutting rhythm designed from scratch. YOU LEAVE WITH A reel with a designed rhythm, not a copied one.	06 Reference acting 60 MIN Copy a reference actor's performance onto your character. YOU LEAVE WITH Your character performing like the chosen reference.
07 Background replacement 60 MIN Swap a video's background while keeping visual continuity. YOU LEAVE WITH A scene of yours on a new background, seamless.	08 Final project 150 MIN A complete multi-character reel, from script to publication, with you directing. YOU LEAVE WITH Your multi-character final project, published.

WHAT YOU TAKE AWAY Scenes with several characters, avatar-to-avatar interviews, spatial sound and an editing rhythm designed by you, not copied.	FORMAT Eight weeks, twelve hours 1:1, online and recorded. Direct chat between sessions and for two weeks after closing.	INVESTMENT USD 11,900. Studio assumes Creator-level output. The first step is a diagnostic conversation.
---	---	--

Product demos, corporate series and a team-operated pipeline are not part of Studio. They are the core of Business, the next program.

The first step is a diagnostic conversation.
